Workforce Development | Curriculum Design | Program Evaluation

FEIN: 41-3003273

EMMA Vendor Number: 1092026

NAICS: 611430, 541611, 541690

## COMPANY OVERVIEW

Community Centered Solutions Inc. (CCS) is a for-profit consulting firm headquartered in the Washington, DC metropolitan area. We specialize in **curriculum development, workforce and training program design, and gap analysis** for public sector clients, nonprofits, and government agencies. CCS applies a community-centered, equity-informed approach to building programs that close skill gaps, improve participant outcomes, and align with agency and workforce priorities.

## CORE COMPETENCIES

- Curriculum review, gap analysis, and instructional design
- Workforce and service-year program development
- Competency framework design and learning objective mapping
- Stakeholder engagement, facilitation, and capacity building
- Program evaluation and performance measurement
- Technical assistance and training delivery

## DIFFERENTIATORS

CCS brings deep expertise in **government-aligned curriculum and program design** with a practitioner lens rooted in direct service and consulting experience. Our engagements are characterized by:

- Rigorous gap analysis methodology connecting training design to measurable outcomes
- Experience supporting civic and service-year programs, workforce pipelines, and nonprofit capacity
- Agile, small-team delivery with direct principal engagement on every project
- Equity-centered lens embedded throughout curriculum and program review work

## PAST PERFORMANCE

### Department of Service and Civic Innovation (DSCI)

Maryland | 2026

Curriculum review and gap analysis for the Maryland Corps Service Year Option (SYO) program. Deliverables include stakeholder analysis, curriculum audit, gap identification, and redesign recommendations.
